

The Gaelic Team

During September Francis St. C.B.S played 3 Gaelic matches and it was brilliant! Since the start we all fought like Trojans. Our first match was against St. Brunswick St. We played an astonisher. We were winning in the first half and the second half they beat us by a mere 5 points. Even though we lost, we were the better at the end of the match. The final was 4-2 to 4-7. The second match we played we played on Friday October 7th was against Ballyfermot and we lost yet again we brilliant with a goal Michael Early 2 points from Cian Mooney and another 2 from Gareth Raymond. Then finally our third and final match which was our best match because we actually won. The final score was 5-5 to 4-3, it was well deserved win. We want to thank Mr.Doyle (the manager) for all of his time and effort and thanks to Franner Gaelic team for their first win in 5 year.

Congratulations to 5th class on winning the soccer blitz!

Eamonn Fennell and Sam

On Friday 13th Eamonn Fennell and the Sam Maguire came into our school. We all got to ask questions like how did you feel before the match? We got great answers. Then we all got our jerseys signed. We also got pictures with him. When we got pictures he gave us a poster with Bernard Brogan on it and on the back it was signed by all the Dublin players.

two euro for a family and one euro for one person.
There were cards four for five euro and cups three for

Sounds of our Classroom

**The chatter of the noisy boys
The clatter of chairs on the floor
The beeping of traffic outside
the ringing of the bell for lunch
The quietness of D.E.A.R time
The laughter after hearing a joke**

C.B.S

**Over the past few weeks 6th class have been vis-
iting St.James Street C.B.S for a number of differ-
ent activities. First was the amazing story teller
Niell De Burka who told us interesting stories.
Second was the chaotic scientist who taught
about lots of different things. Last but not least
was the funky samba teachers. By Aaron Mc Don-
