

THE FRANNER EXAMINER

We would like to extend a huge Franner welcome to all of the new boys and their families who joined us in 2nd class this year and also to some more boys and their families who have joined us in 3rd, 4th & 6th class. We hope you are all settling in well to Franner Life.

Starting in 2nd

I like football because I score a lot of goals. When I first came to school I was nervous and shaking. When I went in to the school I knew some of my friends. I felt happy. It is a friendly school.

David Horan ~ Ms. Hayes

I had a good time my first week in Franner. We get to play on the football pitch in yard. I made lots of new friends in my own class and other classes. The older boys are a great help to fit into school. Evan and Aaron in 6th class help us to play football and help us with the rules. I am going to have a great time in Franner. It is a great school.

A Lot of Good Times Ahead

Francis St CBS have now acquired their very own garden plot in the Rialto Community Gardens. Mr Burke's class will be spending the year decorating, planting, growing and nurturing their garden. On a recent trip to the garden, the boys got to see their new plot and the fabulous energy efficient dome that will be part of this exciting project.

Fencing in 5th

5th Class started Fencing yesterday morning, they had fun learning new skills and having the opportunity to challenge one another. Don't they look great!

@6thClassFranner

Nojus from 6th class made some Francis St history by being the one who pressed the button that sent our school's very first tweet. The entire class shared in the excitement of the occasion and we all look forward to updating our Twitter account with accounts of Franner Life.

PLAYING IN CROKE PARK

Last Sunday I played at half time in the All Ireland Minor Final. We went to the dressing rooms and they had two men there who put half of the boys as Tipperary and the other half as Kilkenny. The two teams went to the pitch and took photographs. Later we went out on the pitch to play at half time. I got 4 touches of the ball and one shot hit the bar and went wide. Then I went to watch the Tipperary and Kilkenny game, it was a draw. Tipp got a shot at the end it went a tiny bit wide. The replay is on the twenty fifth of September at 5 pm in Croke Park. It was a deadly day.

Darryl Bradley ~ 6th Class ~ Mr. Doyles

On behalf of everyone in Francis St CBS...Congratulations Darryl! You did yourself, your family and your school proud!
