Adult attending wears plastic gloves if there is any open cut.

Cut is washed with water only.

This staff member completes an injury sheet and gives this to the class teacher who sends this home via the school journal.

If a child has sustained a head injury the staff member attending will ensure home is contacted to inform them of the injury and decide on any further course of action.

14 Appendix 3: Procedures to be Adopted in the Event of Illness or Accident to a Pupil

The action taken will depend on the gravity of the injury. In general, the following principles will apply: Where a child requires hospital treatment, the Principal (or responsible adult acting on their behalf) will try to contact a parent or guardian to arrange for the transport of the child to hospital. The parents are responsible for up-to-date contact phone numbers and these numbers should be made available on the school's Aladdin administration programme.

If the parent/guardian is not available, the Principal or responsible adult will call for an ambulance and request for a teacher to accompany the child to hospital.

Medical profiles as recorded on the Aladdin system will be made available to emergency personnel. School staff will continue to try and contact a parent/guardian. Arrangements will be made to supervise the class of the attending teacher.

The teacher witness to the incident will ensure that the incident is recorded on an Accident Report Form. This entry should indicate:

In the case of a child becoming ill during the day, the parents will be contacted and asked to collect the child from school at the earliest opportunity.

- Signature of parent/guardian

Parents are responsible for the provision of medication and should check to ensure that medication is available.

Medication should be kept in a safe place or in the Principal's office.

Medication shall be administered in a suitable designated place.

Where there are changes of dosage and times parents/guardians should write a letter requesting these changes.

Request for administration of medications should be renewed annually.

A record of all medication administered will be kept in the Principal's office.

16 Appendix 5: Fire Evacuation Routine

Aims: To prevent panic and ensure the safe, orderly and efficient egress of all occupants of the school, using all the exit facilities available and to develop an attitude of mind which reacts rationally when confronted with a fire or other emergency.

Instruction: The instruction is given by a competent person, in a way that is fully understood, the sequence of events being:

Alarm
Evacuation
Call the Fire Brigade
Assembly and roll call

Alarm: Any person discovering an outbreak of fire should without hesitation, operate the nearest break glass fire alarm point. It is the Staff Safety Officer's responsibility to ensure that every class is aware that the fire alarm has been activated and that evacuation procedures are in place. The Staff Safety Officer can use any available employee to inform others if he/she is engaged in the evacuation of his/her own class.

Evacuation: On hearing the alarm, pupils in class should stand up and when instructed by the person in charge of the class, leave the class in single file through the designated fire escape, to the assembly point. The person in charge should follow lead the pupils from the classroom with a mobile device capable of accessing the class roll on the Aladdin application. Any other adults in the room should follow the class and the last person, be they an adult or a child should close the door when they leave. During evacuation, no talking, laughing, running or overtaking to be permitted.

Any adults working with withdrawn pupils should evacuate from that room with those children as per that room's evacuation plan. These children should re-join their classes at the fire assembly points.

If the fire-alarm sounds when children are on yard they should line up with their class immediately and await their class teacher to move to the fire assembly points.

Any person not actually in class when the alarm sounded should go immediately to the assembly point.

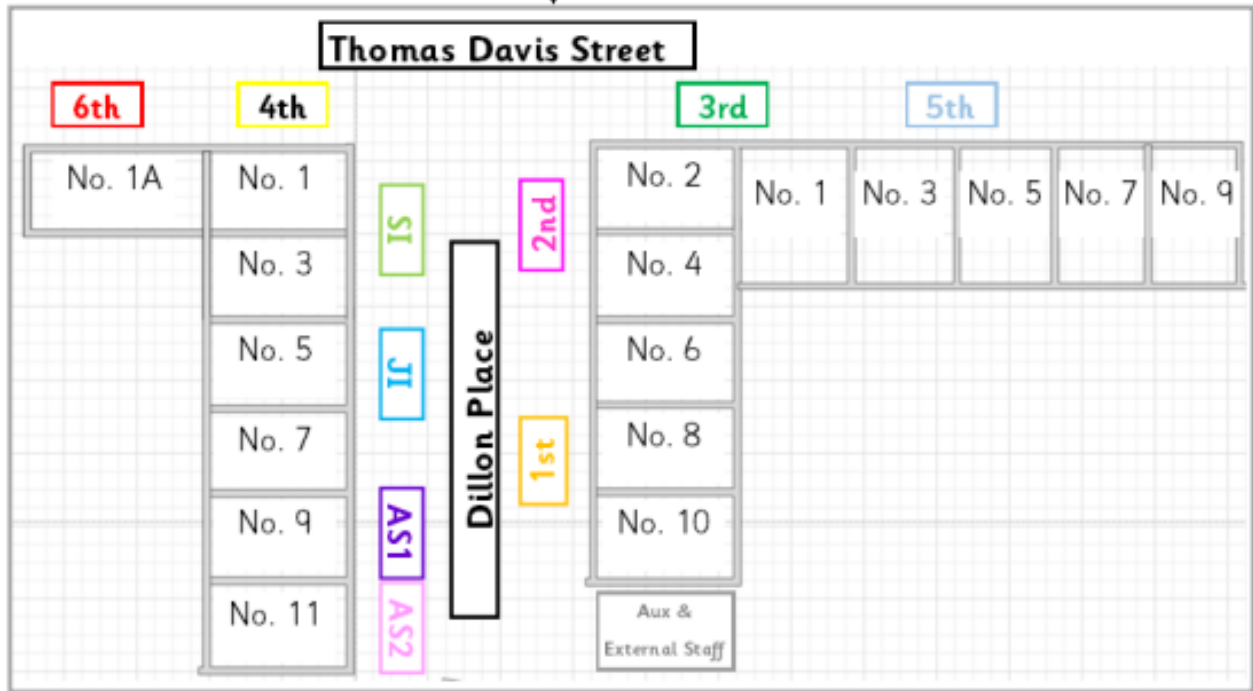

The Principal or Secretary is responsible for contacting the Fire Brigade.

The secretary, or in their absence, the HSCL teacher is responsible for the bringing of all sign in/sheet out sheets and the opening of the large black gates.

Assembly: The person in charge of each class should conduct a roll call at the assembly point and report to the most senior person that all pupils are accounted for or if a pupil is missing. No person should be allowed to re-enter the school unless permission is granted by the Fire Brigade.

Assembly points in the case of evacuation: See attached diagram.

16.1 Evacuation Points

17 Appendix 6: Policy on Tours / Outings

Teachers will take a phone capable of accessing and calling the phone numbers of the parents and emergency numbers.

Parent volunteers helping out on the day will be Garda vetted and will work under the direction of the teachers. Teachers will bring to their attention relevant aspects of the Health & Safety Policy. There will be a minimum pupil / leader ratio of 11:1.

Pupils' behaviour will comply with the standard set down by our schools Code of Behaviour. Parents will be informed of leaving and returning times.

Children should wait in a calm and safe manner for the door to open at 8.40am.

Children or adults should wait on the footpaths and not on or too near the roadway.

If, for any reason, a child is late, he/she should enter by the main door (all children), and they will be entered into the late-book).

School finishes at 2.30pm. Children should have clear instructions from parents/guardians as to collection arrangements. Any changes in these arrangements should be communicated with the school, preferably in writing.

Children are expected to exit the school grounds promptly and calmly. Children are expected to respect the school neighbours and neighbourhood on their way to and from school.

If there is a delay in being collected, children should wait on the yard with their teacher and this teacher will contact a parent or guardian if necessary.

The school yard is a very busy place at home time. Therefore, playing of games, chasing, football, cycling, using of scooters etc. is not permitted for everybody's safety.
