

THE FRANNER EXAMINER

The end of the school year is nigh!

We are preparing to say goodbye and good luck to our sixth class comrades, and hello to the new boys who will be joining us in September. Oh, and of course we are preparing for our Summer holidays! Does anyone have anything nice planned for the break?

And once again...BEST OF LUCK CLASS OF 2015! You will be missed...

A letter from Ms. Collins...

Dear Parents/Guardians,

I would like to thank you all for your amazing support and kindness this year. We are very lucky to have such a supportive parent body.

As you may all know or have heard, I will be on maternity leave from this September. I will be back shortly after Christmas.

Ms McQuaid will be Acting Principal from September 1st. Ms. Hayes will be Acting Deputy Principal.

I am confident that the school will continue to develop and flourish in their most capable hands. I know that they will continue, not only to ensure the highest standards of teaching and learning, but also to promote and develop the positive welcoming ethos of our school.

I know that both of them will enjoy the support and kindness you have always shown me and that the same positive working relationships which exist will continue between home and school.

I wish you all a very happy and safe summer and a successful and productive year ahead. I look forward to seeing you all after Christmas next year.

Very best,

Fiona Collins

So what's up?

We've had countless school trips this year, including the Hellfire Club trip, the NCAD exhibition, the horse riding trip, our 2nd Green Flag and of course Croke Park!

Also, 6th class gave gratitude letters to everyone at the Solas Project for the Dragon's Den Programme, Tag Rugby Blitz and The Yard. Their favourite memory was making the friendship Bench which will remain in the school for many years to come!

We had our Changemaker Day in April, and a huge thanks to Sean Marlow, Nojus Baltrimas, Sean Killalee, Jack James and Bradley Lawless for all of their hard work and constant practising that made our school's presentation shine!
